This is all I can send him -- I can't send him her application because of SSN and such, but there's nothing really on it that has to do with the confirmation.

Specifically to his questions about her education requirements -- her application has her stating that she did complete a 4 year degree and we also have that she did pass the magistrate exam. That is all that is required. Let me know if anything else is needed or can help

Thanks.

Subject: RE: Gov. Nikki Haley to announce U.S. Senate appointment TODAY

Thank you Katherine.

I know you are very busy today with this announcement but when you have a chance, I need a little research done on a magistrate appointment that was made in Dorchester County. There is little by way of records for several magistrates here. Particularly as they relate to the satisfaction of education requirements. Does the governor's office have records and qualification listings for Magistrate Charlene Snowdon?

Thank you,
