

Dear Rev. Halay

6/14/16

I been trying for the past 90 days to get SDDC staff to recognize the fact. that I am being held at this time unlawfully. SDDC is in violation of state law and in violation of Policy OP.21.09 et.

I have made the Warden of this prison (BRCT) and also the director of SDDC and General Counsel for SDDC aware of the known fact. that I am being held unlawfully.

I have also written you (3) three times in the recent past 90 days asking for your help. I have brought this also to your knowledge that I am being held unlawfully.

It appears that my efforts concerning this issue is falling on deaf ears. that aint good I am getting tired of being ignored.

I have hoped and prayed that violence would not be a part of my future. I am being placed in the position to either file a Civil suit and Name and subpoena, you, Warden and the Director to give a statement under Oath concerning this issue.

to why I am being held unlawfully + in violation of policy and in violation of my civil rights.

this will be my final request to you to ask for your help. if someone of authority don't come speak <sup>me</sup> and explain why I am being held unlawfully. Then let me say this. If an incident occurs in the future that puts SDDC in the National spot light. Don't say you didn't know because I will put it dead in your hands.

I ask for your help one last time, I expect you to honor and up-hold the law and request those under your authority to do as well.
