The estimated cost to perform this work is \$325,000.00. We recommend that the Department enter into this agreement.

SALE OF SURPLUS RIGHT OF WAY PROPERTY - LAND

On September 20, 1984, an agreement was entered into between the Department and the Real Property Management Section of General Services, Budget and Control Board, for the Real Property Management Section to offer for sale the parcels acquired for the Gantt Freeway and Downtown Loop projects, which are now abandoned.

In sales held by the Real Property Management Section, the high bid received for Tract 1405 on September 27, 1985 was \$2,000, which was rejected, and no bids were received on this tract on December 6, 1985. The appraised value was \$12,200.00. In February 1988, the Real Property Management Section was contacted by Leonard Brown who expressed his desire to purchase the parcel for approximately 90% of the appraised value. Therefore, based on a review and recommendation by the Budget and Control Board, a quitclaim deed was executed on February 17, 1988, conveying this parcel to Leonard Brown for \$10,700.00.

This matter is reported to the Commission in accordance with the requirements of Code Section 57-5-340.
