Hi Katherine - I hope you are well. When you have a moment, can you give me a

shout on the attached invite for Gov. Haley to speak at the CareCore National Healthcare Summit which is held during the RBC Heritage. The invite indicated that we would like the Gov. to welcome the healthcare executives to SC, but I thought perhaps we could expand the role/focus to: A Governor's Perspective on the Healthcare Expansion under the Affordable Care Act. But, wanted to get your thoughts on the preferable approach. CareCore, as you know is the largest private employer in Beaufort County, and are eager to have the Governor join them for the Summit. My cell is below. Best - Chris
