Thanks everyone. We were hoping that he could start immediately but April will be fine.

Katherine-

Pat Goodwin's term is actually supposed to begin in April, not July. We have already drafted a letter making this correction and will be sent to the Secretary of State's office today.

Senator Johnson also left me a message regarding this issue- I have already sent him a response voicemail to this effect earlier today.

Please let me know if I can answer any questions.

Is this something we can do?

Katherine: Please have John Carroll contact me in reference to the Clarendon County magistrate position that was recently confirmed. The effective date is July 1 but my intention was that it become effective immediately. That position replaces a magistrate who resigned for personal family reasons. They really need him working in Clarendon County to help ease the workload burden. Also, the new magistrate is scheduled to go to school next week. Thanks.
