**Subject:** Innovative procurement strategies / How Montreal is getting smart / 4 steps to smarter water

---

## WELCOME TO SMART CITIES NOW

*Updates on smart city progress around the globe*

### NEWS & TRENDS

**Be a procurement superstar:** For investments in smart technologies to be successful, it's not just what cities buy, it's how they buy it. Click for three procurement best practices cities may want to borrow from private industry – plus examples of how public agencies are using innovative procurement strategies to lower costs. [MORE >>](#)

**How Montreal plans to get smart:** Seeing how other cities cement their smart city actions plans can often help gel your own. Montreal just wrapped up its smart city road map after months of consultation with the public as well as local experts and researching global models. Click to learn what tops Montreal's smart city to-do list. [MORE >>](#)

#### MasterCard takes its Masters of Code hackathon to Tel Aviv

Tel Aviv will be the site of the first European hackathon in Council Lead Partner MasterCard's Masters of Code competition. The series will ultimately see 10 MasterCard-hosted hackathons across the globe this year. The Tel Aviv hackathon is scheduled for June 11-12. [Get details >>](#)

### PARTNER SPOTLIGHT

**Short takes:** GE launching waste-to-energy plant in the Philippines...  
LondonWaste driving new fleet of Mercedes-Benz eight-wheelers...  
Cubic completes major expansion of NextBus system in Queensland...  
Schneider and ComEd team on Green Button Connect My Data roll out...  
ABB tapped for rural smart grid project on an island in the Baltic Sea.
