

 [scstateparks](#) Happy New Year's Eve! 🎉 How are you planning to step into 2021? We know that the weather isn't looking too great for tomorrow, so we'll be extending our First Day Hikes through the weekend. Visit a participating park and pick up a sticker and special promo item throughout the weekend, while supplies last. Visit the link in our bio to plan your First Day Hike...even if it's not quite on the first. ☺️📍Aiken State Park 📍: @saoscott
