---

Hello Tony,

My name is Lacey, and I'm with Social Solutions. I wanted to let you know that my co-worker, Chuck Wilson, will be in your area from June 4<sup>th</sup>-5<sup>th</sup>, and he would like to meet you. He would like to learn about the programs within the Governor's Office on Aging, especially around adult protective services, and to explore if there are ways we can help with the outcomes of those programs.

Social Solutions currently works with over 17,000 programs across the United States and internationally. We are the industry leader in improving outcomes, attracting more funding, establishing transparency, enhancing service coordination, measuring impact, and proving good intent. WINGS for Kids in both Charleston and Lake City, Goodwill Industries of Lower South Carolina and Upstate/Midlands South Carolina, and Trident United Way, are just some of the groups in your area who use our software, ETO (Efforts To Outcomes).

Would you have any time from June 4<sup>th</sup>-5<sup>th</sup> to meet?

Genially,  
Lacey
