Kelly –

Awesome! Thanks for a great meeting!

Katherine – do we have the green light for Kelly to reach out to Flock and Rally?

Amy, Katherine and Haley,

Thanks for a great meeting today. We are excited about the partnership. I briefed Bill Ellen this afternoon and he is on board with me reaching out to Flock and Rally to ask if they would be interested in considering the event planning assignment if that is something I have the green light to do from your perspective. If there is any issue with this, I will hold off or propose additional planners for consideration. www.flockandrally.com

I am checking a few more sources on the date but as of right now I do not see any conflict with other Columbia events taking place on Monday December 1. I can confirm that tomorrow morning.

I'll be in touch. Thanks!
