We LOVE our Lace House couples and appreciate their understanding of the difficult circumstances! Although we were disappointed we could not gather on their original dates, we look forward to celebrating with them on their future special day. Until then, we wanted to highlight them. Give a like or drop a happy emoji for part one of our May 2020 clients who despite the trying circumstances have found ways to stay positive.

Meet: Kylie + Joe, Stephanie + Jeremiah, Emma + Jonathan and Chelsie + Jaron!

P.S. Stay tuned for part two of our May 2020 couple highlights. We have so many amazing clients; we could not fit them all in one post! @ South Carolina Lace House

### Meet

#### Emma & Jonathan

- How did you and your partner meet?  
Jonathan and I met when I was a freshman and he was a sophomore in high school.
- When did you get engaged?  
We got engaged September 22, 2016 in Georgetown, DC. He proposed to me where JF's proposed to Jackie!
- What is something you love doing together?  
Jonathan and I bond over our love for food. We love trying new restaurants and exploring new places together!

### Meet

#### Chelsie & Jaron

- How did you and your partner meet?  
We met working at pizza together. We were both cooks in the back and were both extremely shy at the time. We would always look at each other and get the biggest smiles on our faces. After a couple months he asked me out and we have been happy.
- When did you get engaged?  
We got engaged on our four year anniversary, February 28. He took me to North Beach for the weekend since I was always there when I was little and told me in the car. He asked if I wanted to take some photos and turned me around to look out to the ocean. He called my name and when I turned around he was on one knee asking me to marry him.
- What is something you love doing together?  
We love to go on adventures together. We've gone to about 8 different states in the past five years and we are always doing something we've never done before. Then we go back and sit on the beach together and just sit at on the beach and look over them.
