Thank you, GOVERNOR, for honoring our WW II POWs and all heroes.

I'm doing the same for my late blood relative JAMES WILLIAM STOLLER (went by BILL STOLLER), a NAVY RADIOMAN killed in the horrific BATTLE OF THE JAVA SEA, Spring, 1942, World War II. He was a Native of GOSHEN, INDIANA.

In memory and honor of BILL's LIFE SACRIFICE for this Nation, I have submitted an OFFICIAL RECORDS REQUEST FOR HIS SERVICE RECORDS.

I/We posted the following on SENATOR JOHN McCain's FB site, " Your assistance will be appreciated, SENATOR McCain. We will LEGALLY AVENGE (with wrongful death and other actions) THE SLAUGHTER of my late relative JAMES WILLIAM STOLLER, a WORLD WAR II NAVY RADIOMAN, killed in the Battle of The Java Sea, 1942. That was a premeditated murder / wrongful death perpetrated by GLOBALIST / New World Order / WORLD COMMUNISTS, and FDR was complicit.

Known as "Bill Stoller," this hero's INDIANA SERVICE ARCHIVES are at

Respectfully,

Bill Stoller
