Bryan, I hope that all is well. A former constituent of LG Bryant is in McCormick as a result of the episode in the story below.

LG Bryant would like to visit him at some point, and I'd like to know the best way to arrange that. He also understands that Mr. McDermott is interested in trying to reach others, perhaps via recorded video, with a sort of educational PSA based upon his story. We'd appreciate your thoughts on if something like that is possible. Thanks, and please get back to me when you can.
