Delbert,

Here is what Mike sent back.

Sent from my Verizon Wireless 4G LTE Smartphone.

Mike

Here you go. I figure we'll have to work with the ITMO buyer to finalize, but this is basically what we have come up with. I am hoping to have a requisition submitted by the end of the week - my assumption being that this will not be delegated.

Thanks

Mike

Mike,  
Can you send me a copy of the specs for the data center project?
