## Even heavy snows won't stand a chance.

Power through deep, wet snow quickly and easily thanks to the entire line of snow-removal implements for your Grasshopper True ZeroTurn™ FrontMount™ mower. These heavy-duty implements stand up to the harshest conditions, delivering superior performance winter after winter.

Professional-grade implements to save you time, labor and money.

### OPTIONAL EQUIPMENT

Grasshopper's Snow Performance Package includes a steering lever-mounted joystick providing on-the-go lifting and angling of dozer blades and rotary brooms, as well as lifting and spout rotation for snowthrowers. A WeatherBeater™ Winter Enclosure protects operators from the elements, while an optional 16,000 BTU heater enhances operator

comfort.
