Hello Katherine,

I have started working on the DVD request and I hope to have you at least the first batch in the next day or two, they are real time dubs so that take a little while to do but we are working on it.

About the meeting on Thursday, it is not for certain that I will be the director for this year's program. I am trying to get with Tom Posey for us to decide on the director for this year, however, we missed each other this afternoon. We will get together tomorrow and I will let you know what is going on here.

I'm sorry for the delay.

Have a nice afternoon,  
Renée
