Sorry - I was on the phone with LLR, so I didn't get the "now" email until now. Stirling told me that he was going to bring a staffer to meet with me about it. Has that changed?

Stirling called me about the gender-dysphoria inmate issues. They completed review of the agreement with the inmate's attorneys and can move forward after we give him the go ahead. I think he's probably called all of you about this. Can we discuss this today?
