---

Do y'all have time to get together Monday to discuss the refugee background info Gov. Haley asked us to get out to the General Assembly. This has been delayed because I was waiting on the State Department to clarify some discrepancies in the number of refugees that have been relocated to SC in the past 5 years. State recently got back to me, but in light of the new Syrian refugees we have learned about, I think it is wise for us to sit down and go back through the document and update where necessary.

Thank you in advance.

Please let us know the message and documents to email to the General Assembly re: RRP.  
If we want to include updates to the RRP backgrounder - attached is the word version.  
Thanks, KV
