## South Carolina State Parks

at 19:00:01 on 1/07/2018 UTC

Join us at Table Rock State Park on Monday, January 15 -- #MLKDay of Service -- at 10 am, working in the area of the historic Hemlock Picnic Shelter. The Civilian Conservation Corps constructed this shelter sometime during 1936-37. Over the years the picnic area fell into disuse and were not maintained. These individual picnic sites are in a beautiful mountain cove away from the hustle and bustle of the main day use areas within the park. Since these picnic sites were part of the original park master plan, we wish to reestablish them for visitor use. We will be cleaning and clearing out old trails to the picnic sites as well as the original footprints of the sites. As part of the project we will be installing timber frame picnic pads, grills and putting together new picnic tables. If you are interested in helping with this project please call the park office at 864-878-9813 to sign up. We will meet at the Hemlock picnic shelter parking lot beginning at 10:00 am. Wear comfortable work shoes and clothes. Bring work gloves, water and a lunch. The park will provide the tools necessary for the project.
