Governor Nikki R. Haley
Statehouse
1205 Pendleton Street
Columbia, SC 29201

Dear Nikki,

Congratulations on your pending confirmation as U.S. Ambassador to the U.N. You have done a great job as Governor of South Carolina and I am sure you will do as admirable job as Ambassador.

I know that Barbara is smiling down on you from heaven. She was very impressed with you from the first day you two met. Barbara passed away in June 2014 from lung cancer. Keith and Kyla were designing a new house at that time. They asked me to come live with them. I have a great in-law suite attached to the house.

I have enclosed three family photos. Tyler, his wife and her now six-year old son. They live in Wausau, WI. He is designing boots for Weinbrenner Company in Merrill, WI for industrial work, fireman, and military purposes. He is very happy and doing quite well.

Keith works with Jool Health in Ann Arbor as a Senior Software Engineer and Mobile Strategist. They are into Health and Wellness. Kyla is an RN and is working closely with lung cancer patients. My three granddaughters (Rylee – 11, Aubri – 9, and Taryn – 3) keepcPapa in line. I love it and am very blessed to be living with them.

Thanks for the Christmas card from the SC Republican Party. My how Rena and Nalin have grown up. I know you and Mike are very proud of them.

Jan. 20th is a big day with Trump's inauguration but more importantly your 45th birthday. Happy Birthday. Enjoy your special day.

Much love and God bless,
