---

Katherine - hope you had a great Thanksgiving weekend. Let me know what you need from us on our end about the letters or FAQs. We are standing by to get them signed and over to DSIT for printing and distribution. Thanks.

Joe

Katherine - this is the final version of the FAQs that we have cleaned up. Please discard your other copy. I have deleted the Definitions and Terms portion as well as the wording to recommend deleting question 16. We thought question 16 emphasized a negative message. If reimbursables decide to not pay the charges - we will have to initiate collection efforts. While I have kept the question in on this version - we recommend the question be removed. We were not able to come up with a viable solution regarding the interest question.

Joe

Sounds good. Were we able to come up with the solution regarding interest?

Tried to call - have a few minor changes to what I sent you earlier. Can re-send it in 5 mins. No significant changes.
