Subject: RE: Marlin Outdoor Advertising; Newberry Signs; Interstate 26

Our Outdoor Advertising Director was out until yesterday, but he came to see me about this and brought me a court ruling by the Administrative Law Judge Division upholding DOT's action on these signs. He also said that the ruling was appealed but upheld by the Court of Appeals. Because of the past legal history, I am asking our Chief Legal Counsel, Linda McDonald, to review it.

Linda, Keith has explained that this is time sensitive because we are nearing the end of the agreement. I'll bring you my back-up and hand this off to you to respond back to Katherine.

Thanks to all.

Katherine and Trey,

Attached is a history of the signs on I-26 in Newberry County. Please review and let me know where to go with this.

Let's talk on Friday.

Thank you.
