Strategic Employee Engagement To Drive Business Results

Chicago, IL | June 10-12, 2015

The **Early Bird deadline is next week** (May 8th) which means now is the best time to register for Advanced Learning Institute's **Strategic Employee Engagement To Drive Business Results** conference in Chicago on June 10 through June 12.

Did you know that only about 25% of business leaders have an employee engagement strategy?

The truth is, organizations need to invest in employee engagement in order to stay competitive, drive productivity, and improve bottom line results.

Start thinking about employee engagement in a new, powerful way. **Hear case studies from your peers and leave this conference with practical tips you can apply immediately, including how:**

Groupon, Inc. increased employee engagement through a period of accelerated and disruptive organizational growth. [Read More.>>](#)

Lowe's Home Improvement identified how social collaboration can increase employee engagement and productivity. [Read More.>>](#)

ADP moved to a digital workplace that has had a positive impact on all aspects of the organization including the associates, all levels of leadership, the organization as a whole and ultimately the clients. [Read More.>>](#)

Discover Financial Services developed an effective engagement strategy that increased bottom line results. [Read More.>>](#)

Maple Leaf Foods engaged employees by managing risk and building resilience. [Read More.>>](#)

Assurance implemented an employee engagement strategy on a limited budget. [Read More.>>](#)
