Katherine - this is the hunger project referred to in my lengthy voicemail message today.

Volunteers of all ages from Spring Valley Baptist Church, 91 Polo Road, Columbia, 29223, have spent many hours at Chick-Fil-A on Two Notch Road and Little Pigs BBQ on Alpine Road. We greeted diners, cleaned tables, refilled beverages, swept floors, and assisted diners with their trays, etc. We collected monetary contributions and enlisted volunteers from the community to assist in assembling the meals at SV High School this Saturday. As the brochure says, the meals are being distributed to families in our community. This is the fourth year that SVBC has participated in a hunger project; however, this is the largest undertaking so far - 100,000 healthy meals. We are reaching-beyond-our-walls in ministry and in educating the community about the hunger needs right under our noses.

Please pardon this last-minute request, but Brad asked me about the best way to invite Governor Haley.

Brad Fleming is the coordinator.
