He's in the pharmacy that day. I'll call Carlton myself and see if we can't find another day.

Carlton Washington (Executive Director of the SC State Employees Association) called me at the tail end of last week and wanted to know if the LG would be available to be the keynote speaker at their retiree BBQ on Friday, October 27. The event will be at [Saluda Shoals Park](#), and if possible, they would like for him to speak around 11:15a or 11:15a for about 20 minutes. Generally, they have about 150-200 people in attendance.
