Governing, in partnership with Workday, invites you to participate in the "Finance/Human Resources (HR) Solution Priorities" poll. This 12-question poll takes only minutes to complete and will provide valuable insight into government agencies' needs and preferences around finance and HR solutions.

Click [here http://app.mailings.erepublic.com/e/er?s=1222&lid=53609&elq=16b5da9e1720463d99599953662b71f7](http://app.mailings.erepublic.com/e/er?s=1222&lid=53609&elq=16b5da9e1720463d99599953662b71f7) to begin the poll

Your answers will help us understand the state of government agencies' finance and HR systems, their timetable for upgrades or replacement, and their preferences as they move forward toward modernization or alternative solutions. Data from the poll will provide us with information regarding the major drivers of change implementation and the challenges agencies such as yours are encountering (or expect to encounter) when improving finance and HR processes.

Thank you for your time and participation in this poll!
