Meet

Kiley & Justin

- How did you and your partner meet?

My family moved to Chapin, SC while I was in college and I ended up driving down the road at the marina where my family put our jet ski. Justin always offered to help my mom back the trailer into the water and that really made me come with her because she thought Justin was cool. It's our history, all thanks to my mom!

- When did you get engaged?

We got engaged in Highlands, NC. His family asked me to go to the mountains for the weekend while they looked at potential homes (I had nothing of it at the time). We were getting ready to go out to dinner and decided to take pictures out on the back deck of the house. Justin suggested we take a photo from behind over the mountains (which was totally out of character, but I didn't care) and when we turned back around, he was on one knee. After his family came out of the house and surprised me. It was the best day of my life!

- What is something you love doing together?

Justin and I love spending time out on the lake with friends and taking weekend trips to Sierra Nevada Brewery in NC!

We love our Lace House couples and although we were not able to celebrate with them on their original wedding dates, we thought we would highlight some of the great things about them until we have the chance to celebrate their big days with an even bigger party! Give a like or drop a happy emoji for our March 2020 couples who, despite the trying circumstances, have found ways to stay positive during the past few crazy weeks. Meet Kiley + Justin and Devon + Spencer! P.S Stay tuned for highlights from our April and May couples as well! We have so many amazing clients, we can't fit them all in one post!
