PARK CUSTOMERS! Please be advised that the park reservation system is still down, and we are unable to accept, cancel or transfer any reservations at this time. We are diligently working through issues as we transition to our new reservation system. Please stay tuned to the parks website "Important Reservation Information" alert. We will update this webpage, as we make progress. Thank you for your understanding and patience! [www.SouthCarolinaParks.com](http://www.SouthCarolinaParks.com)
