Hey Chaney!

I hope all is well. I wanted to check in and see if Governor Haley would be available for a one-on-one interview leading up to her taking the national stage next week following the President's State of the Union?

I'd like to chat with her about being asked to do it, what it means to her, how she plans to prepare and of course touch a little on the current political headlines.

I can make any time/day work since I know she's got a hectic schedule.

Let me know if we can make this happen.

Thanks so much and look forward to hearing from you .
