To whom it may concern:

I am a mother of 4 children,
4 Grand Children and 5 Great Grand
Children.

On May 25th at approximately
5:30 am I was captured by 2
State Police. When not in their care
Mr. Penn. They pulled up
behind me and a truck on the
side of the road with one light on.
I put down passenger windows they
shone flash light in my eyes and
threatened me that they put a hit out
on me. I put the car in drive and
went down the highway to Alpha,
PA for help. When arriving at
Alpha market stating Alpha, PA
they used the move to turn my
vehicle, I was not hurt.

I opened the car door they drag me out and handcuffed me behind my back and put me in a Pennsylvania State Police Car. Do not know what barracks at this time. They took me to a facility in NJ that had Mucklenberg smocks and St Lukes smocks. In the room that they put there were live bugs in them. I counted at least a dozen. I was there for a while they brought to Penks from New Jersey. They took me to the BELFAST State Police Barracks north of EAS. At this time not given any rights remained there till an ambulance came + took me to St Lukes, Fountain Hill, PA — At Lukes they put me in psychic evaluation. Passed after 10 days + they called BELFAST Police + had me arrested, went before magistrate in Wilson, PA my accusers were not there (DR Solebak threatened me at St Lukes that I would be sorry for this.) BAIL WAS SET AT 750.00.

they refused me clean & officer Brown

for me & he & 45 min - on one hour
did not have what we. Finally
released & husband threatening that
Doctor told him that he can sign me
in hospital for life. (~~Walter~~) Walter

Dear Peter Killman,

After the worst trade center, I opened
a World Trade Center.
When I was 19, I took my oath to
Protect and Serve. I graduated Military School

I was to sign the new frame of the system,
which took time to be what and
Attorney General, I should go to 55.
All my assets & documents were in the
Empire State Bldg. They are now out. It
means many things have been done. I am
grateful & happy. But when taking oath, I
want also. We can all be thankful that the
Bush Administration went for the World Trade
Center. I wish you to realize that the job
was never complete and the World Trade
