Hi Chaney—

Would love to have the chance to chat with you about election night whenever you have a few minutes. George Stephanopoulos will anchor live coverage from 7pm until 2am that night, and he'll be joined by many other anchors, correspondents and political analysts. We are also looking at booking several live interviews to air throughout the course of the night, and I wonder if Gov. Haley might consider joining us for a segment.

I can be reached on my cell anytime at 202-407-5135. Looking forward to talking soon—hope we can work something out.

Very best,  
Emily
