Dear Mr. Hudson:

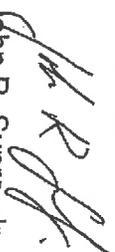

We are writing to give you information about South Carolina programs that can assist you following the completion of your incarceration.

The Department of Health and Human Services administers the Medicaid program that provides health insurance coverage for low-income and needy residents in South Carolina. Eligibility is based on federal and state requirements; and in order to qualify for Medicaid, an individual must meet certain financial and categorical guidelines. An eligibility worker can determine if someone qualifies for Medicaid based on the information provided in his or her application. You may visit our website at www.scdhhs.gov or call (888) 549-0820 to find out more about the Medicaid program.

Your letter also mentions a check you previously received from the Department of Social Services (DSS). Please contact DSS at (800) 768-5700 to see if you still qualify for benefits. Their mailing address is PO Box 1520, Columbia, SC 29202.

We have enclosed an overview of the Medicaid program, as well as information about other programs and organizations that can assist residents in South Carolina with their healthcare needs, prescriptions and daily living expenses. We hope this information is helpful.

Sincerely,

John R. Supra, Jr.
Deputy Director

Subject: Email Migration

Good afternoon,

Beginning this evening at 6:30, all of your email accounts will be migrated from Groupwise to Office 365. This is a two-step process: the first step sets up a forwarding rule on your Groupwise account, which will forward any mail received there to your Office 365 account. The second step will migrate all mail, contacts, appointments, tasks, etc., to your Office account. The order of the migration is email, then calendar info, then contacts.

This will necessitate a few changes, and a few steps you'll need to take to make the transition as smooth as possible. Please check the steps below and complete them or make sure you understand them.

1. Microsoft Office version - Office 2007 SP2 or Office 2010 is required. The Help Desk can verify this for you, or give you the steps to complete to verify it on your own. If you don't have the correct version, or if you prefer to use the web client, go to <http://mail.office365.com>. Use your email address and password to log in.
2. Mail availability - during the process you will still have access to your mail, but you will need both email clients to see it all. Any new mail will arrive via Outlook, and old mail will be accessible through Groupwise. Both webmail clients will work. The address for Groupwise webmail site is <http://webmail.scdhhs.gov>. Use your Novell userid and password to access your account. (When the process is complete, you will no longer need the Groupwise client for mail.)
3. Outlook client - Outlook will need to be set up to use your account. We'll need to remove any existing mail profiles on your workstation. Someone will come by your office to help with that.
4. Blackberry - If you're using a Blackberry, it will need a security wipe and Enterprise Activation to get it on Office 365. We can handle this in our area, or I can email other instructions to you. The wipe and activation will take roughly an hour while you'll be without the Blackberry. I currently have Roy, BZ, Bryan, Laurel, Jan, Jeff and Tony listed as Blackberry users. Please reply to this email if you have an Agency-issued Blackberry and I didn't list you.
5. If you are using a different model smartphone/iPad to access Agency mail, please let Rod Davis know and we'll work that in our area.

John, Teeshla, and January have already been migrated and can ignore this email.

That's a lot of information, so if you have any questions, don't hesitate to call me at 803 351 3873 or email me.

Bill
