---

Jim,

I haven't heard back yet from archives on the deletion of those hard copies. Hope rob hear back today.

In the meantime, we are starting to box a a new section. Can you bring some boxes to Katie Philpott? She will need 10 at minimum, and then we can update as we see how much we fill. We won't fill 10 today so just whatever you have to start us.

Thanks,

Richele
