Kristie Quattrone was the initiator several months ago. Hank was brought in simply to pick up the materials that would eventually be distributed to the Triple A's.

We'll take it from here, but I'd like to understand why we didn't know about it.

A few words were changed (for instance, our program is just "home delivered meals" – not branded like Meals on Wheels), so this is not the exact release. But the subject matter remains the same.

Hey Hank,

Let me know If you still want to release this jointly. No worries if circumstances have changed. I can still release it independently. I'd like to release on Monday, so take a look and let me know if you want to include anything, etc.

Thanks!
