Hi Wayne,

Thank you for your patience in working with the Governor's schedule. I'd like to confirm Friday, November 15th at 12:00 pm in Charleston for her to speak at the luncheon. Is this still workable in your schedule? Please feel free to contact me by phone: (803) 734-5151 or by email to confirm details.

Sincerely,
Leigh LeMoine

Leigh:

Keep us up to date when you can. We will be working toward a backup keynote speaker for the SCBIO Annual Conference Nov. 14-15 in Charleston that we can promote ahead of time.

At any point the Governor decides she wants to share the platform with the national leaders in this sector let us know. She is a hit and her signing the angel credit bill will be applauded. There is always room for the Governor.

Kindest regards,
Wayne
