Meredith,

I'll make sure you are added to our list.

I've also included a link to the governor discussing her speech from a media availability last week:

Please feel free to let us know if there is anything else we can help you with.

Thanks,

Chaney

Hi Rob,

I'm covering the State of the Union for Yahoo News and I wanted to make sure I briefly e-introduced myself and got on your list so that I can keep tabs on whatever you guys put out regarding the speech. Also, if you have any background guidance as to what you all are thinking in terms of the tone or direction of the response, that would be super helpful for a setup piece I'm filing this afternoon. I know this must be a busy time and you're

probably being inundated with requests, but thanks so much in advance for your help!

Best,

Meredith
