

Dear Sir

Can you help me Ashley Littlejohn
came up here at 4:30 clock and said my
T.O. was to land. My T.O. was not that
loud because you could not hear it out
side. It was that Woman went
door. But she lie about it. That
make about 5 time that she had not
told the truth.

Why sure I not tell the truth. The
reason I am writing to you is because
God in heaven told me to send the
Holy spirit to. They wanted to see if
you would do any thing about it.
Patricia know about it but wanted

over

do any thing about it. The
only thing I wanted is ask her to
leave me along the way. she talk to
me yesterday that was abusing me.
I am 81 years old and he here for
25 years.

and I stay in my apartment
and go to Church 2 time a week
I do work up there for God. I give
stuff away that people need. Like
stuff they wear. I don't get pay tho
I do it for God.

She started on "Wanda" and now
she back on me. I know why she
doing it but God told me to tell you.
and see what will be done about it.

She don't wanted to be over here.
I sending you the paper that
he send me. Patricia won't do
any thing about it.

May God bless you and my
praying for you.

In God love

Phyllis Bentley
