Mr, Godfrey

Just wanted to follow up with you on this as I know the Governor is in New York today. Our Studio is right in midtown very close to Trump Tower and we also have a camera at Trump tower that we would be able to use so she wouldn't have to go far. Would love to make it work. Again we have 3 hours today that we can make work 12:00-2:00 pm and from 4:00-5:00.

Thanks so much.

Mr. Godfrey,

Hope this mail finds you well. Wanted to reach out as I am reading some breaking news that the Governor is being considered for Secretary of State. We would love to have her on the program to talk about this. It's been a long while since he has been on with Neil and we really would love to make it work and have her on. We can work around her schedule as to what works best for her either in the 4:00 pm est hour or even on Neil's FBN show from 12:00-2:00 pm est.

We have three hours that we can work around. Looking forward to hearing from you to set this up.

Thanks much.
