Hi, Holly. Did you complete the National Park sites also?

Hi, I am an ultimate outsider as of December 2016, however, I don't think our picture was ever posted on your facebook page. I would really like to have/see a copy of the photo. I believe we may have "fallen through the cracks" because we had to call to get our shirts in February and thought the photo would have been posted then. Our last park was King's Mountain State park. Thanks, Holly Brown, Joe Kinard, Walker Brown, & Wyatt Brown.

Hi, Holly Brown again. Please disregard my 1st message. I see where you posted the photo on March 11. Thank you. But were we supposed to get a park pass, too? We have not received it as of today's date. Thanks again for checking on this.
