Nicole,

The governor made us proud today; thought she did a terrific job.

Articulate, informed, and dignified. I think we have one, if not the best, Governors in the country.

**I would vote for her for a higher office.**

In the meantime, could you send me a suggested outline of what we might write and say to our local Senators and House of Reps who are not supporting Ethics reform and the lowering of the state income taxes with higher gas taxes so that we remain competitive.

I will then craft into my own words and copy some friends here to do the same.

Regards,

Hank
