Dear Governor Haley,

Thank you so much for your wise and compassionate leadership during Hurricane Matthew. I appreciate so very much your acknowledging our need for God's protection and help. And for offering prayers to governors of other states! The Lord is, ultimately, our only help and stay.

I was blessed, no power loss, & just a few more leaves on the lawn, but am very saddened for the many people who lost (and)

"Ye fearful saints, fresh courage take; the clouds ye so much dread,
are big with mercy, and shall break with blessings on your head"

William Cowper

their homes for the second time, I know
that you will care for them in every way
you are able.

God's blessings to you,
