We have completed our report on voting machines and are ready for publication. For your review, I have attached a copy of the final draft of the training section of the voting machines audit. We have underlined any changes made to the report so you can see what revisions have been made. Please remember that the audit is still confidential and can't be disclosed to the public. We would appreciate receiving your final comments to this report by Thursday, March 21, 2013. These comments, which will be published as an appendix to the report, should be no more than ten pages long and furnished on paper as well as in searchable PDF format (via e-mail to [atruitt@lac.sc.gov](mailto:atruitt@lac.sc.gov)). We expect to publish the report by Wednesday, March 27, 2013. Please call or e-mail me if you have any questions or need additional information. Thank you!

Andrea
