Dear Governor Haley,

Thank you very much for taking the time to meet with my team and I earlier this week.

It was such a pleasure meeting you. It has been most inspiring for me to see what you have done. I loved the positive spirit with which you approach encouraging young women in the workforce.

Thank you for the warm welcome we have received to South Carolina and we are touched by your personal interest in and support to our company.

I do hope we have an opportunity to welcome you back to India again. On your next visit, I would like to invite you to visit TVS Motor Company's research and production headquarters near Bangalore and to visit some of the surrounding villages where our trust works as well.

Thank you once again.

Warm regards,  
Lakshmi
