Bryan,

I hope all is well and that you and Jenny had a good Fourth!

I understand that you are out of the office all week. I wanted to give you and the Governor's Office a heads up that we will be sending out a press release this coming Wednesday, July 10, regarding the two tort reform bills that Sen. Massey introduced for us the last week of session, S.773 and S.788.

I apologize for not getting this to you earlier. J.J. Darby and I wanted to meet with you to discuss these bills and will be glad to when you are back in town. Also, J.J. has had to spend an inordinate amount of time in Raleigh due an extended session up there. In fact, he is back in Raleigh again this week.

I've attached a copy of the draft release and a brief summay of the two bills for your information. Please let me know if there is anyone else in the Governor's Office you would like for me to reach out to, or they certainly can contact me at (803) 260-5258.

Hope your trip goes well!

Take care,  
Earl
