Hi Boyd,
I'll look over it to see if there is anything I notice should be added.
I will let you know if I have any other questions.

Rene, please see the attached job announcement. We need to repost for this position. I spoke with Tony earlier and I think he would like for you guys to take a look at the posting to make sure that it is capturing the appropriate audience. If you can get me a list of responsibilities that need to be added and time associated with each, I can format the posting, add to the PD and get the job reposted.
Please let me know if you need additional information from me. Thank you.
