Subject: New Carolina's Education Summit Presentations

Wednesday May 1, New Carolina featured a stellar line up of education innovators and innovation supporters who energized a packed conference of over 300 attendees!

Co-chairs Mike Brennan, SC President of BB&T, and Pamela Lackey, SC President of AT&T, unveiled TransformSC, an initiative to transform public education in South Carolina.

Response to the Education Summit was overwhelmingly positive with statements from participants that, "a movement has begun."

Presentations are available [here](#) and we'll email you updates for the video in the next few weeks.

Thank you for helping us "rethink schooling" in South Carolina. Our work is just beginning. We'll connect you along the way, so be on the look out for emails and ways to be involved!

About New Carolina

New Carolina — South Carolina's Council on Competitiveness — is a public private partnership working to increase South Carolina's prosperity and enhance South Carolina's economic competitiveness through a cluster development strategy. New Carolina's mission is to find, build and celebrate industry clusters in South Carolina and to improve the business environment for better growth. With a proven track record for streamlining and coordinating statewide industry efforts, New Carolina brings valuable insights to the table for connecting the dots and achieving collaborative economic development solutions. For more information, visit www.newcarolina.org.
