Hello, I am looking into lodging availability in November. I couldn't find find prices on your website. Could you please give me a estimate on how much it would cost to stay in a cabin at Myrtle Beach November 12-18. Thank you so much.

Hi Stephanie. Rates vary based on dates, occupancy, cabin, etc. The range listed on our website is \$65-210 per night. For example, cabin 1 at Myrtle Beach is currently available for those dates at \$130/night. This rate is subject to change, though. You can search the reservation website (and see rates without booking) at: <https://southcarolinaparks.reserveamerica.com/camping/myrtle-beach/r/campgroundDetails.do?contractCode=SC&parkId=10120>
