South Carolina Governor: Nikki Haley
State house
P.O. Box 11369
Columbia, SC 29211

Dear, Governor Haley,

I am a fifth grade student at Lehigh Elementary School writing to you from Pennsylvania. My Class is learning the South East Region of the United States. I chose South Carolina and since you are the South Carolina governor of that state, I am writing to you for some information about South Carolina.

Finally once I gathered all my information I will do a final project, such as a poster, travel brochure, news letter or a presentation for my class. I really hope you are able to send me information, such as things you have done to help your state, ideas on education population, natural resources, industries, weather, climate and pictures about your state to help me with my project.

Thank you For your time,
eFFort and help. I know you are a
Very busy Person.

Yours, trustly

Gavin
