1205 Pendleton Street
Columbia, South Carolina 29201

Dear Governor Haley,

I am writing to let you know how much I appreciate Perry A. Williams, Field Office Supervisor in your office's Division of Veterans' Affairs, who went out of his way to help several of my constituents and me on Friday. He gave the veterans from my area the attention and exemplary service that they needed, and I thought that you should know.

Mr. Williams had no idea that I am a Representative, but he still went above and beyond to help my constituents, and I certainly appreciate his tireless enthusiasm and outstanding work on their behalf.

Our veterans, those who made the commitment and sacrifice to protect our nation and our freedoms, deserve our kindness and appreciation, and Perry Williams is certainly up to the task. It warms my heart to know that he is charged with representing our veterans in your office.

Sincerely,
