Please see the attached list. I updated with names and positions, but note some of the addresses/company names have been revised as well.

Ashton, the only one to hold off on until I can confirm is Magna. Their Gov't Relations person is confirming that their worldwide CEO is the appropriate recipient.

Thanks,
Beth

Thanks! I separated my list (attached), and Beth, we will need names for each of the \$10,000 and above notes since N writes them personally.

Thanks!

The attached need One SC thank you notes.

Beth, for the companies, can you assist with to whom they should be addressed.

I am preparing the One SC numbers for her tomorrow, so I will send the totals. I just segregated these out, so you don't have to deal with pages of data.

Thanks, Holly
