No worries at all! Please let me know if you need another date or anything else from me.

Thank you!
Tori Beth

Tori Beth
I apologize for the delay. I sent your email to my Colonel's Executive officer late last week. I'll follow up again.
Thank you

Hi sir,

I just wanted to reach out to see if you thought any of these dates would possibly work. If not, we would love to find a time that would!

Thank you!
Tori Beth

Wonderful! I am looking to schedule sometime in July. Would the 5th, 6th, 25th or 26th work? I know the week of the 4th will be crazy for everyone, so whatever works best for you all. He would love to visit all the active bases in South Carolina so I am eager to make this happen for him.

Thank you so much!
Tori Beth

Tori

I have already reached out to the Base Commander. I will send an email to you and his scheduler in the morning. (Busy day with the election and Charter School Board Meeting) How far are yall scheduling out? With the brief and tour of the base we usually block of 2-3 hours for this type event. Do you have some proposed days?

Kind regards,

Hi CMSgt Thomas,

It was a pleasure meeting you Saturday at the Get Out to Vote event in Camden. I just wanted to touch base with you about both topics we discussed. Would you mind sending me a little more information? We would love to make it work, and the LG specifically mentioned to me when we left that he would love to come tour the base if that is a possibility.

Thank you!
Tori Beth
